FUN & FUNCTIONAL BACK TO SCHOOL FINDS!

Bobbitoads

These shoes are not only a fashion statement, but an activity as well. Using your favorite non-toxic nail polish, paint the shoes as you would your own toes. When you are ready to switch up your style and change colors, simply use non-toxic nail polish remover to remove the old nail polish, and repeat the process by polishing with a different color.

Sidekick Backpack

You can't go wrong with a Stephen Joseph Sidekick Backpack in themes like a Butterfly, a Dog, a ladybug, a Dino, Tiger, Giraffe or Monkey, or even an Owl. You can even pick a matching lunch Pal and "little Squir" drink pouch to go with the backpack. Stephen Joseph's coordinating accessories are simply too cute to pass up!

The SuperME Hoodie Backpack

The latest addition to the brand's fun and adventurous collection. Sized for elementary school children, it comes in an array of vibrant colors and patterns that all represent their own themes. As convenient as it is stylish, each bag's hoodie is easy to access from a secret pocket on top, allowing kids to effortlessly sport the accessory. The water-resistant hood protects from wind, rain and cold weather, making it the perfect fall accessory for all little superheroes heading back to school. Available locally at Children's Museum of Houston and online at:
