◀ TREAT YOUR SENSES

Have you ever sucked on juicy lychee? You can find street vendors on any corner of NYC selling these deliciously juicy fruits during the summer. But until then, pamper yourself with Caress® Scarlet Blossom™ Fine Fragrance Elixir Body Wash with red lychee and patchouli scent infusion.

MISTY MOISTURE ▶

We tried it, we loved it—Vaseline® Spray & Go Moisturizer Total Moisture®. Twist the top and spray this light but effective moisturizer all over your body. It's fast absorbing and feels luxurious.

THIS IS TRULY THE YEAR OF THE GENTLEMAN ▶

Guys, dress like this when you take your girl somewhere fancy. Watch Trey Songz—he gets it right every time.

FUTURISTIC FRENCH! ▲

Shouldn't Zoe Saldana have this metallic French manicure on Star Trek? Can't you just see it? Well, we want it!

UM, CAMOUFLAGE EVERYTHING! ▼

This trend just won't go away so don't fight it. Embrace it in fresh new ways.

BENDEL WELLIES!!! ▶

April showers bring May flowers? Okay, then splash in fashionable puddles with Henri Bendel's Girl Stripe Wellies!

ONCE YOU HAVE KIDS WHO HAS TIME FOR A REAL DO? ▼

The top knot. It is what it is—for better or worse—red carpet or running errands. These celebs are rocking it with nude lips, which are great for daytime, but try this trend with crimson lips for a sexy night out.

UGH! IT HURTS OUR EYES!!! ▼

Listen up! We need to give up on platform sneakers. They're bulky, a little too colorful and we don't know what to wear them with...they're just not right. Please let's not drag this style over into the summer. We can't. We just can't.

▼ MEDICAL BRACELETS FOR COOL KIDS

Hope Paige offers fun, kid-approved, and fashionable medical accessories that easily blend in with everyday pieces and will only stand out to medical professionals in case of an emergency. Perfect for kids at any age, each bracelet can be customized with an engraving on the back to alert EMT's of medical conditions and provide necessary information, such as a phone number of a parent or the child's name in case of an emergency.

ENDER'S GAME IS COMING ▲ TO THE BIG SCREEN!

Omg, Omg, Omg....Ender's Game is coming to the big screen this year! It won't be out for a while, but at least you heard it here first! Can you read the entire quartet before the movie release? The last installment involves Catholic Brazilians and obsessive-compulsive Asians... that's all I'm going to say.
