### Tom's Panic I'M SHRINKING!

Tom Cruise has always been nervous about his 5'7" stature -- and now it's his secret panic fear for Oklahoma that has really scared him. "Once seeing the photos from the red carpet with Gisele Bündchen, Tom is convinced that he's lost a quarter of an inch," a source says. Tom could be right. Studies show that men over 40 shrink by a quarter inch every decade. Of course, being Tom, he's not taking experts' word and really is resorting to surgery for anything "extreme," such as the enhancement. "But he just wants to be sure he's taking all the preventive measures." \*

### Jennifer's BALDING BREAKDOWN

Jennifer Lawrence surprised everyone by sporting a short crew cut at the 2012 Academy Awards on April 23, but insiders say it's not just a style statement. She's had a "serious" hair loss problem that's "falling out of her head" says an insider. "She had to use chemical treatments and medications that the only thing she could do to make her hair healthy again was to start using Her Hair Is Dying!" Her hair will die... Jennifer... \*

### I'M THE NEXT ELLEN

Whether you love or hate Gwyneth Paltrow, you can't deny that the actress has a lot of real-life success as a surprise star. She has a lot of success in her own right, but she's also a lot of fun to watch. "She's completely fearless, she has what it takes," Gwyneth already appears confident on her website, which has been called "the most interesting website on the internet." \*
